

# Sonoran Desert Conservation, Ecology, and Natural History: a Research Symposium

Celebrating the 80th Anniversary of Anza-Borrego Desert State Park

November 2 – 4, 2012 - Borrego Springs, CA

A symposium in memory of Paul D. Jorgensen (1946-2012), California State Parks –  
Colorado Desert District Environmental Scientist

## CALL FOR POSTERS

If you are conducting research that focuses on the Anza-Borrego region, Anza-Borrego Foundation invites you to submit a poster for consideration for our poster reception.

Posters are sought on original research in botany, ecology, geology, wildlife, climate change, paleontology, economic value of deserts, and other environmental issues. Posters will be featured during the Friday evening welcome reception.

Submit abstracts by **September 30, 2012** to [info@theabf.org](mailto:info@theabf.org) using the attached form. Include "Poster Submission" in the email subject. Posters can be horizontal or vertical and should not exceed 36" x 48". Direct questions to [info@theabf.org](mailto:info@theabf.org).
