

# R-2508 Joint Land Use Study

NOVEMBER, 2007

**John O'Gara**  
**NAWS, CHINA LAKE**

# JLUS Briefing Outline

---

- **Purpose**
- **Background**
- **Study Area**
- **Approach**
- **Expected outcomes**
- **Questions**

# BACKGROUND

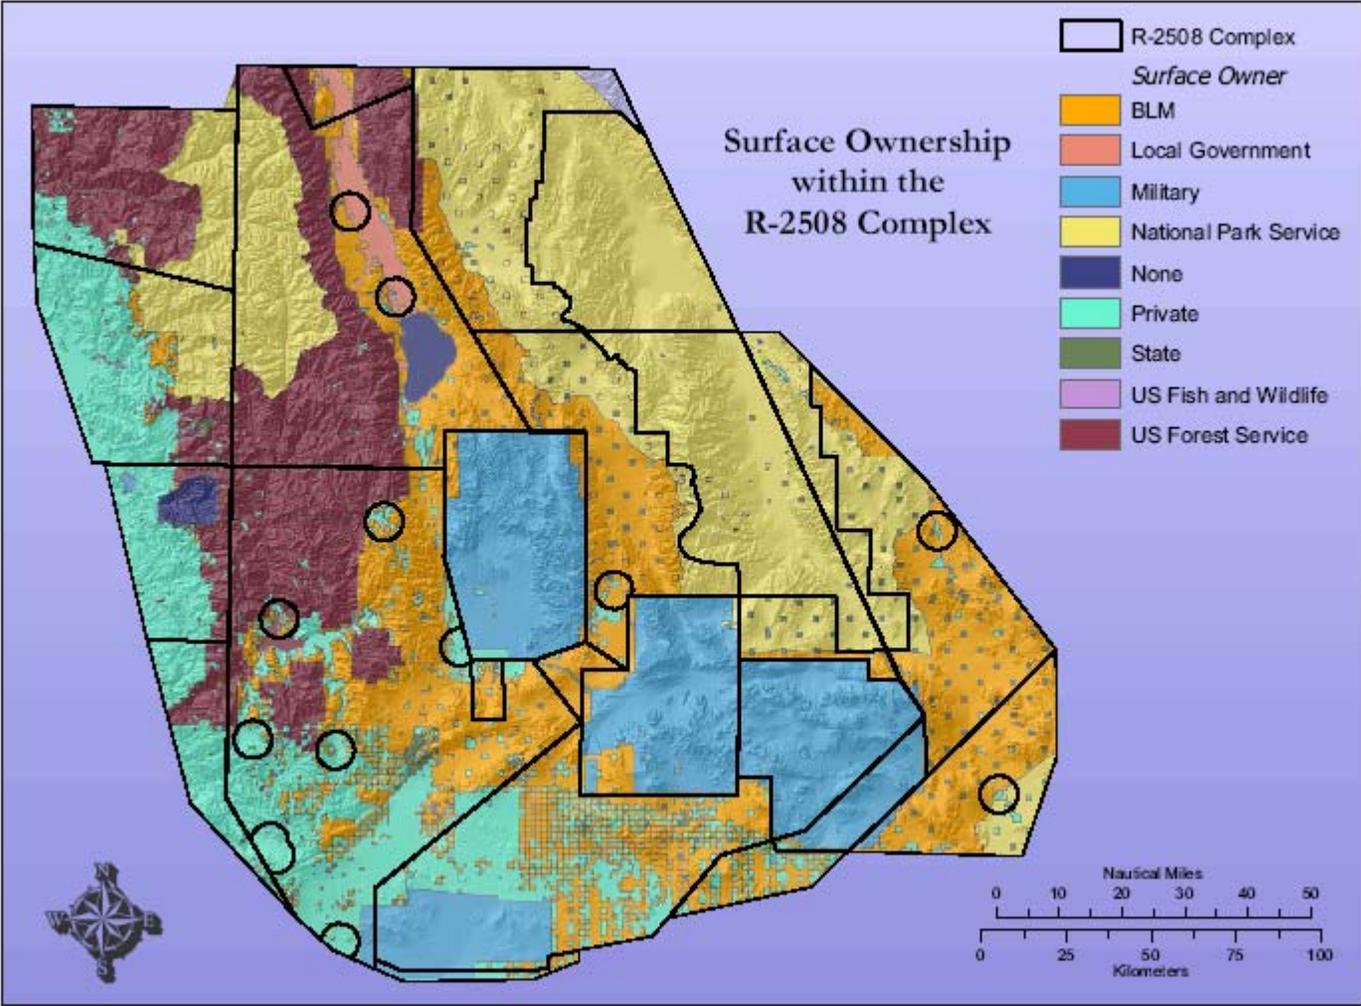

- **China Lake, Edwards AFB, Fort Irwin apply for JLUS studies (2004)**
- **Office of Economic Adjustment funds joint study**
- **Study scope revised to include military operating area at installations and R-2508 Airspace**
- **CA Office of Research and Planning and Kern County are co-leads for project management**

# Purpose

---

**Sustain missions of participating military installations and land management agencies, and the economic development, health and safety of regional communities**

# R-2508 Airspace: JLUS Study Area

# OBJECTIVES

---

**Encourage collaborative planning between military installations and local jurisdictions to promote compatible land uses**

**Develop strategies to reduce impacts of existing community and military operations on each other**

# APPROACH

- **Identify Agency Participants**
- **Establish Technical and Advisory Working Committees**
- **Conduct survey to identify existing processes and issues**
- **Conduct local workshops**
- **Develop process recommendations and identify data gaps**

# Expected Outcomes

- **Improve communication between participants**
- **Identify issues and/or areas requiring further study**
- **Provide a suite of viable tools to promote long term sustainability**
- **Secure funding to continue working long-term solutions**

# SCHEDULE

- **Draft Recommendations: AC/TC review, OCT. 2007**
- **TC Workshop #4: Draft JLUS Report, 22-23 JAN 2008, Palmdale**
- **AC Workshop #4: 27 FEB 2008, Palmdale**
- **Public forum, 27 FEB 2008, Palmdale**
- **Final JLUS Report @ APL 2008**

# Questions?
