Joshua Tree National Park News Release

Joshua Tree National Park Announces Availability of Keys View Road Environmental Assessment

Joshua Tree National Park is seeking comments from the general public and affected agencies on an Environmental Assessment (EA) addressing potential impacts associated with the realigning, rehabilitating and resurfacing of approximately 5.6 miles of Keys View Road in Joshua Tree National Park. The EA is available for public review on the internet at www.nps.gov/jotr/pphtml/documents.html. Copies are also available for review at the Park Headquarters.

The public is invited to direct concerns or comments regarding this project and the Environmental Assessment to Superintendent Sauer at 760-367-5502, by sending an email to JOTR_superintendent@nps.gov, or by writing to Joshua Tree National Park, 74485 National Park Drive, Twentynine Palms, CA. 92277. The public comment period closes May 23, 2005.
